salpoente®
SINCE 1991

Welcome to an experience of pleasure and sophistication, surrounded by history, art and charisma, in the heart of the Ria de Aveiro

At the Salpoente restaurant we are passionate about what we do and we try to get to the heart of every detail to provide you with unforgettable moments.

We want good cuisine, art and the dedication of our team to make you feel like part of the family, with all the comfort, tranquility, refinement and sophistication.

We seek to build our own language in our cuisine, combining the latest gastronomic trends with the culture and traditions of our beautiful and charismatic region. We pay tribute to it in each dish we develop, to its people and raw materials, recreating our history, merging tradition with modernity.

Located in front of the Ria de Aveiro, the Salpoente restaurant was born more than 30 years ago in a set of 2 old recovered salt warehouses, heritage of the city, transformed into an excellent space, where the Signature Kitchen of Chef Duarte Eira and his team promises to bring you the best of good cuisine.

Come, taste and feel our contribution to this story, which belongs to all of us.

Thank you for your choice and trust.
The Salpoente Team.
